

What's the

Buzz?

KIDS CLUB

Saturday, March 17

1-2pm

Lower Level in front of Forever 21

Science Creations' Bee Keeper will teach kids about the honey bee anatomy, bee keepers' equipment and how it works, how honey is made, and why bees are so important.

Kids will even get to see an observation display of **REAL BEES!**

Attendees will receive honey sticks at the end of the event! (While supplies last.)

Kids Club activities are **FREE** for kids 12 and under and take place on the third Saturday of every month. To join, sign up at SouthlakeMall.com/Kids-Club.
