

NOTICE OF NEW PROVIDER FOR SANITATION AND RECYCLING

Dear Citizen of Morrow,

This letter is to inform you of changes in Morrow's sanitation and recycling service. Effective November 1, 2017, Morrow's residential service will be administered by Latham Home Sanitation. We are excited to offer this new service provider because in doing so, we are able to minimize the increase in your fees for service as well as maintain your service level.

As a customer of Latham Home Sanitation, you will enjoy the same great back door service that we have always provided in the City of Morrow. A door hanger will be placed at your residence as a collection schedule reference for solid waste. Please notice the days of collection may vary from your current schedule. For recycling, the service schedule will shift from Friday to Monday. Your curbside bulk/yard waste will not change and will remain on Mondays. The volume of service (the number of cans, the amount of yard waste) will remain the same. There is one change in recycling service ******GLASS RECYCLING IS NO LONGER ACCEPTED******. We apologize for the inconvenience.

As part of the transition, Republic Recycling bins will be collected beginning on Friday October, 27, 2017, and then soon replaced with a new Advanced Disposal bin at the citizen's request. Please contact our team at 770-960-3000 or email recycle@cityofmorrow.com and provide us with your name and address so we can provide a recycling cart (either 65 gallon container or 18 gallon). If during the transition you are in possession of two recycling containers, please only use the Republic Container through October 27 (the date of Republic's final pick-up). After that date, use only the Latham container and remember you must contact us to request a recycling container. The city and Latham do not provide garbage receptacles, your personal garbage receptacle will be accepted with the new provider. Please do not use your recycling container for garbage; Advanced Disposal will not haul garbage from the recycling containers.

This letter also serves to inform you of the rate increase. **This rate increase will be \$1.35 per month and will be implemented as of January 1, 2018.**

If you participated in the Recycle Rewards Program, please note your points will expire on October 31, 2017.

If you have any questions, please feel free to contact me at 678-902-0873 or via email at anou@cityofmorrow.com.

Sincerely,

Anou Sothsavath
Public Works Director
