

Shoebox Recycling Program

Several months ago the City of Morrow employees began a program to collect "used" shoes as a part of a Shoebox Recycling Program.

This program takes used shoes, (in decent conditions), cleans them up, and gives them to the less fortunate. As a part of the program, we are supplied with boxes for collecting shoes, free shipping of the shoes, and paid by the pound for the shoes collected. The City of Morrow has to date donated funds collected, (one shipment of 5 boxes - \$76.50), to the Police Department's Children's Christmas which provides Christmas for Morrow Elementary kids who would not otherwise get presents.

The City of Morrow just sent in a second shipment of boxes and have begun filling more. **Would you like to participate?** The City of Morrow encourages all residents and business owners wanting to participate to bring your unwanted "used" shoes (must be in pairs and in wearable condition - No skates are accepted) to Morrow City Hall. You may bring in shoes from home as a individual or collect from your neighborhood. This is an excellent community service project for young and old. Bring the shoes to City Hall and we will add them to our donation boxes.

Boxes will be located in the lobby area on evenings of Council meetings.

This program serves two different purposes. It puts those shoes on the feet of someone in need and it helps our local children.
