

# Harley-Davidson Kings of the South Annual Conference

Civentum is pleased to announce that the Harley Davidson's Kings of the South Annual Conference is contracting as the first annual conference for the Morrow Event Center. This event has the potential of bringing over 11,000 annual visitors requiring over 3,300 room nights at our local hotels. This illustrates how an expanded Morrow Event Center can drive economic impact for not only the City of Morrow but for all South Metro Atlanta.
